MEDIA ADVISORY

Akin to Host Tele-Town Hall

From his office in Washington, Congressman Todd Akin (R-Mo) will field questions from constituents during a telephone-town hall forum this Wednesday, March 28th from 6 to 8 pm Central. Thousands of homes in the Second District will be called and offered a chance to participate in the live conference.

This is not a recorded event.

“Given the busy schedule of families today, and the important events unfolding in Washington, I think this is a good opportunity to visit with constituents and hear their concerns and opinions,” said Akin.
